"The government of the United States feels that there is only one reply which it can make to the suggestion of the Imperial Austro Hungarian govern ment. It has repeatedly and with entire candor stated the terms upon which the United States would consider peace and can and will entertain no proposal for a conference upon a matter concern ing which it has made its position and purpose so plain. Republicans Endorse

Senator Ledge, minority leaser in the senate, spoke in unqualified en-dorsement of President Wilson's prompt and curt rejection of the Austrian proposal for a secret, non-bind Russia. He was given the title of ing peace discussion. Senator Lodge baron by the former Emperor Mutsuhi. said this action by the President would be universally approved by Americans. The position of the United States is now so plain that the Central Powers will soon begin to understand that "we shall not now resort to talk and to bargaining for a decision. to put her in physical bonds."

> EAGUE TO ENFORCE L PEACE IS REJOICED

NEW YORK, September 17 - (Official) - In adopting a resolution com-mending the President's decision to refuse to listen to Austria's proposal of a peace conference, the executive committee of the League to Enforce l'ence stated that it rejoiced in the refusal of the President to sanction a secret conference. The league is pledged to peace by victory as the only peace which can achieve the objects sought, which is the destruction of German mili tarism and the creation of a league of free untions to enforce a permanent peace for the world.

'To take part in a conference with an unconquered Germany," resolution adopted by the league, "is to confess the failure of our purpose.
